

9 Ways to Counter Disinformation in Your Community

Make it a habit to carefully examine article headlines.

1

2

Check the number of likes and comments on a post.

Take a closer look at the account that posted the content.

3

4

Ask yourself: Is this account posing as someone else?

Stop. Don't interact with content you believe to be misinformation.

5

9 Ways to Counter Disinformation in Your Community

Report suspicious content. 6

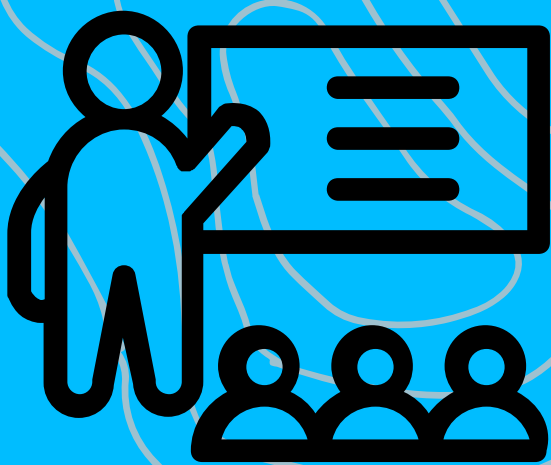

7 Promote accurate sources.

8 Ask for sources when information is shared with you.

9 Educate your friends, family and community.
