October 2022

American Citizen Services

Register to Vote In Time for Midterm Elections

Americans can vote from anywhere! The first step is to register. The Federal Post Card Application (FPCA) allows you to register to vote, request a ballot, and update your contact information with your election officials. Get started on yours at [FVAP.gov](https://fvap.gov)

The Federal Voting Assistance Program has a list of upcoming elections. Register and request your ballot today. [Quick link FVAP list of upcoming elections.](#)

Option to Renew Your Passport By Mail

Most adult passport renewals can be done by mail. Check our website to see if you are eligible to apply by mail and pay online for your passport. Check our website for details.

[Passport Services - U.S. Embassy in Norway - Use our new wizard! \(no.usembassy.gov\)](#)

Check Passport Validity for Holiday Travel

Passport processing time is 3-4 weeks. Be sure to renew your passport in time for holiday travel. Appointments are available on our online scheduling system for applicants that require an in person appointment at the Embassy such as Consular Reports of Birth Abroad, minor passport renewals, and notarial services. If you are eligible to renew your passport by mail, please take advantage of this easy and quick option. [Read more...](#)

Voter Information Resources

Need more information about candidates, political parties, or state specific voting information?

Find helpful resources for overseas citizens on the Federal Voting Assistance Program website. You will also find federal government website links, as well as state and territory legislative website links. [Read more...](#)
