The U.S. Embassy in Madrid, through the U.S. Department of State’s Bureau of Population, Refugees, and Migration (PRM), is pleased to announce the availability of a funding opportunity to support organizations assisting refugees in Spain.

What is the Julia Taft Refugee Fund?

The Julia Taft Refugee Fund is an initiative by PRM to respond to critical unmet needs of refugees. Created in 2000, the Julia Taft Refugee Fund intends to meet gaps in assistance by issuing grants of up to $25,000 to national or local non-governmental organizations (NGOs) for quick impact projects to meet critical needs not addressed by the Office of the United Nations High Commissioner for Refugees (UNHCR), the International Committee of the Red Cross (ICRC), International Organization for Migration (IOM), or other international organizations and NGOs. **NOTE: This notice is subject to availability of funding.**

Eligibility Criteria

This opportunity is open to public or private non-profit organizations registered in Spain, such as business associations, foundations, and civil society/NGOs with programming experience in refugee affairs. Government institutions and for-profit or commercial entities are not eligible to apply. While international NGOs (INGOs) are eligible to apply, preference is given to national/local NGOs. INGOs that apply should demonstrate close partnerships with local NGOs through the proposed project. Applicants must have organizational representation (i.e., an existing office) in Spain.

In order to be eligible to receive an award, all organizations must obtain a unique entity identifier (Data Universal Numbering System/DUNS number from Dun & Bradstreet), as well as a valid registration on [www.SAM.gov](http://www.SAM.gov). For further information on how to register, please see “Unique Entity Identifier and System for Award Management (SAM.gov)” below.

Applications

All applications must be received by 11:59 p.m. CET on February 4, 2022. Proposals should be submitted by email to Embassy Madrid at Madrid_POL@state.gov. Applicants should include “2022 Julia Taft Refugee Fund Proposal” in the subject line of their email. Proposals must be in English.

The Taft Fund is intended for projects that include a target beneficiary base of at least 50 percent refugees. Proposals should focus on quick impact to address immediate needs. The Taft Fund is designed to support a one-time need and the period of performance shall not exceed one year from the date of award disbursement. There is no opportunity for follow-on funding upon completion of the award.

While the Taft Fund is open for applicants to propose any project that could best serve refugees in Spain, there is particular interest in proposals addressing equal access to protection, assistance, and other solutions for LGBTQI+ refugees and/or addressing the urgent needs of Afghan refugees in Spain.
There is no specific format for the application. Application packages should include the following:
