PASSPORT APPLICATION

If you would like to apply for a passport, please prepare these additional items:

☐  “Application for a U.S. Passport” (DS-11)
Please read and follow the instructions when filling out Form DS-11. Complete all applicable items but do not sign until you are asked to do so by the Consular Officer during your interview.

☐  Photo of applicant (child)
One (1) U.S. sized passport photograph (Note: these are a different size from New Zealand passport photographs). Submitted passport photos must have a white, off-white or cream background.

☐  “Statement of Consent”(DS-3053), if applicable
U.S. passport regulations require the consent of both parents/legal guardians before a U.S. passport will be issued to a minor child (unless certain circumstances apply). This requirement is usually met by both parents attending the child’s passport interview and signing the passport application in the presence of a Consular Officer. However, we understand that it is not always possible for both parents to attend the passport interview and options do exist if only one parent is available to sign the passport application form in person. Please see additional information about parental consent and how it may impact on your child’s U.S. passport application.

Submit the second parent’s notarized Statement of Consent DS-3053 with attached notarized photocopy of the identification presented when signing. The form must be signed and notarized within the last three months, and can be notarized by a Justice of the Peace.

☐  If one parent/guardian has sole custody: Primary evidence of sole authority to apply for the child’s passport is required, e.g., court order, death certificate.

NOTE: Social Security Number (SSN) is required for all passport applications. You must provide your SSN on the application form if you have been issued one, in accordance with 22 USC. 2714a and 22 CFR 51.60(f). If you do not have a Social Security Number, you must submit a signed statement including the phrase:

For 16yrs and over:

‘I declare under penalty of perjury under the laws of the United States of America that the following is true and correct: I have never been issued a Social Security Number by the Social Security Administration.”

Under 16yrs:

‘I (parents full name) declare under penalty of perjury under the laws of the United States of America that the following is true and correct: my child (full name of child) has never been issued a Social Security Number by the Social Security Administration.”
This declaration or statement of “NO SSN” does not need to be notarized, but must be signed and dated. If the applicant is a minor, this declaration will be done by the parent.

Prepaid Return Courier Pack

We stand ready to assist you; however, the biggest obstacle to a quick completion of the CRBA application process is providing all of the necessary documents. The most common issues are (1) incorrect completion of the DS-2029; (2) incomplete dates of physical presence, page 2 of the DS-2029 (3) missing physical presence documentation for the U.S. Citizen parent prior to the child’s birth. If you do not present the appropriate documentation at the interview we will suspend processing of the application.

You may be asked to provide additional documentation at the time of your interview. By regulation you will have 90 days to submit the requested documentation or the case will be closed for insufficient evidence to establish U.S. Citizenship of the applicant. All fees are non-refundable.

I hereby certify that I have read the above instructions and that I have all the listed documents applicable to my case in my possession and am prepared to present all original documentation at the time of my appointment.
