The following information is a list of hospitals and clinics that are known to provide PCR and/or Antigen tests for international travel. The list is not meant to be an exhaustive one, nor should inclusion in the list be construed as official Embassy recommendation.

For English translation assistance, please contact the 120 Dasan Call Center (Dial +82-120), Seoul Global Center (82-2-2075-4180), or BBB Korea (1588-5644; press 1 for English).

DISCLAIMER: The U.S. Embassy in Seoul assumes no responsibility or liability for the professional ability or reputation of, or the quality of services provided, by the following persons or facilities. Inclusion on this list is in no way an endorsement by the Department of State or the U.S. Embassy. The information in the list on professional credentials, areas of expertise and language ability are provided directly by the service providers; the embassy is not in a position to verify or endorse such information. You may receive additional information about the individuals and entities listed by contacting the respective licensing authorities.

NOTE: Any publication of this list must include a clearly marked statement such as the following:

“These names have been compiled by the Consular Section of the U.S. Embassy, Seoul, Korea. American Consular offices at any foreign post will, upon request, furnish a similar list to any entity or individual.”

The U.S. Embassy, American Citizens Services (ACS) office welcomes both favorable and unfavorable comments concerning the performance of medical professionals listed. Your feedback will assist us during the review process to remove any hospitals that do not provide satisfactory service from the list.
