Dear Prospective Offeror/Quoter:

The Embassy of the United States in Managua, Nicaragua, has a requirement for a Supplier/Contractor to provide specialized Construction Services for Replacement of Softball Field at the Embassy Compound. You are invited to submit a quotation. The Request for Quotations (RFQ) consists of the following sections:

1. Standard Form SF-18
2. Basic information, statement of work or specifications and technical qualifications
3. Drawings
4. Purchase Order Contract Clauses

The Embassy plans to award a purchase order; the award will be made to the responsible, technically acceptable, and lowest priced bidder. You are encouraged to make your quotation competitive. You are also cautioned against any collusion with other potential offerors regarding price quotations to be submitted. The RFQ does not commit the Embassy to make any award. The Embassy may cancel this RFQ or any part of it.

Please read the RFQ carefully, and if you are interested, submit your quotation. Return the completed SF-18 with supporting documents to ManaguaGSOProcurement@state.gov by Monday, 5 September 2022, no later than 2:30pm. Your quote should include all costs for materials and labor, as well as a delivery schedule. The Embassy will not consider advance payments; a payment schedule may be considered. Verbal quotes will not be accepted.

A Site Visit has been scheduled for interested bidders on Monday, 22 August 2022 at 9:00am. Interested bidders must submit visitor information before this date.

Regards,

Paul A. Roelle
