C. ELIGIBILITY INFORMATION

1. Eligible Applicants:

To be eligible for consideration, applicants must be a local, non-profit civil society or non-governmental organizations (CSOs or NGOs) or an independent media outlet legally registered in Serbia.

2. Cost Sharing or Matching: Cost sharing is allowed but not required and will not influence funding decisions.

While filling out the application, you will be required to tell us whether you are also receiving funding from other donors for your project. Please be aware, however, that you must be able to carry out all the activities described in your application with the funding you receive, even if the contributions from other donors or other funding sources fail to materialize.

3. Other Eligibility Requirements:

In order to be eligible to receive an award, all organizations must receive a unique entity identifier ( UEI) from Dun & Bradstreet called Data Universal Numbering System or
DUNS number, as well as a valid registration on www.SAM.gov. Please see Section D.3 for information on how to obtain these registrations.

If an applicant has already received a grant from the U.S. Embassy and the older project and the new one would overlap, or if an organization has submitted more than one project proposal, please use section “y” in the application form to explain how you will manage more than one project and describe your capacity to do so.

4. Funding Restrictions:

You may NOT apply for a grant from PDS if your project:
   a. involves partisan political activity.
   b. funds attendance at overseas conferences or trips abroad.
   c. international travel to/from the U.S. or countries outside the Balkan region.
   d. involves giving charitable activity and humanitarian aid.
   e. involves fundraising.
   f. is commercial in nature, i.e., you are making money.
   g. focuses on academic or scientific research.
   h. is focused on arts, culture, or any other areas beyond the themes listed above.
   i. is focused on skill learning or training programs unless the activity is specifically aimed at promoting the integration of disadvantaged groups into society.
   j. duplicates an already existing project.
   k. involves the provision of health care or services, childcare, food subsidies, or other social services to populations.

This funding opportunity aims to support specific projects with objectives, which can be achieved within a set timeframe. We will not accept applications which are aimed more broadly at supporting your organization’s usual or typical daily activities and operations. Those will be deemed technically ineligible and will not be considered for funding by the review committee.

As a general rule, participants or audiences should not be charged for taking part in any PDS-funded activity. If you envisage that your project activity will not be free for some reason, please contact PDS while you are in the process of completing the application to see whether that could be allowed. Depending on the funding source, PDS might be able to support your project, but only if you can demonstrate how the revenue generated will be used to support the larger objectives and explain that your organization will profit from the modest entrance fee.

See also “Guidelines for Budget Justification” under Section H below for more information on budget items.
