

**FULBRIGHT-NATIONAL ARCHIVES HERITAGE SCIENCE FELLOWSHIP
FOR ACADEMIC YEAR 2024-2025 IS NOW OPEN**

Application Deadline: OCTOBER 15, 2023

The Embassy of the United States of America in Serbia is pleased to announce the opening of the Fulbright Visiting Scholar award in Heritage Science to connect Fulbright visiting scholars with scientists and experts at the national Archives and Records Administration (NARA)'s state of the art Heritage Science Research and Testing Lab in College Park, Maryland. Heritage science is an interdisciplinary field that includes conservation, preservation, cultural heritage, archaeological science, and heritage management.

Details about the Fulbright-National Archives Heritage Science Fellowship for Fulbright visiting scholars, including eligibility and application details, can be found at <https://fulbrightscholars.org/fulbrightnationalarchives>

Application Deadline: October 15, 2023
