

AMERICAN CITIZEN SERVICES U. S. EMBASSY, NASSAU, BAHAMAS

LIST OF ATTORNEYS IN THE BAHAMAS

The Commonwealth of The Bahamas consists of approximately 700 islands, stretching from the coast of Florida almost to the shores of Haiti. Only about 20 of the islands are inhabited, with the majority of the population concentrated on the islands of New Providence (Nassau) and Grand Bahama (Freeport). The Turks and Caicos Islands, though a part of the same archipelago, form a British Dependent Territory and are therefore politically separate from the Bahamas. The Embassy maintains a separate list of Lawyers who practice in the Turks & Caicos Islands.

The Government of the Commonwealth of The Bahamas has enacted Value Added Tax (VAT) legislation with a rate of 10% which will apply to certain services, fees, and disbursements.

NOTE: The American Embassy assumes no responsibility for the professional ability or integrity of the persons or firms whose names appear on the list attached. There are many lawyers practicing in The Bahamas; this list includes only those who wish to have their names appear.

The following is a list of some lawyers and attorneys practicing in The Bahamas. The American Embassy assumes no responsibility for the professional ability or integrity of the persons or firms whose names appear in the attached list. The information cited was current as of February 2023. The lawyers/law firms are grouped according to the island on which the practice is located; the order in which they appear has no other significance. There are many lawyers practicing in The Bahamas; this list includes only those who wish to have their names appear. Information about additional lawyers can be located on the [Bahamian Bar Association's website](#).
